

HOW DO ANIMALS USE THEIR APPEARANCE?

Watch the devotional video for "Presentation."

Many appearance-related behaviors in the animal kingdom serve important purposes. Think about some of the animals discussed in the video. What do they do with their appearance and why?

Take notes below.

Animals	How do they change their appearance?	Why?
Peacock, birds-of-paradise		
Arctic fox, snowshoe hare, ptarmigan		
Grizzly bear, African elephant, cobra, porcupine, puffer fish		
Skunk, stink bug		

Discuss:

1. What are some things that we do with our appearance?
2. Why?
3. How does our appearance affect our ability to influence?
4. How can we make sure we are approachable, so we can share the important message of the Gospel?
